Dr. John T. Freedman Fund

Donors to the Dr. John T. Freedman Fund contributed \$25,900 in 2019-20 toward building this endowment and honoring John's legacy. John (1946–2019) practiced dentistry with kindness and excellence in Skaneateles from 1974 until he retired in 2006. He brought his contagious smile and quick wit to all that he did and he will always be remembered for his trademark sense of humor. This fund embodies a fitting tribute to a life well lived. Support through this fund will specifically enhance programs and initiatives that address the wellness curriculum, mental health and well-being for students in all grade levels across the district.
