Class of '51 Fund Grant Application

The purpose of the Class of '51 Fund is to provide grants that assist students who demonstrate unusual financial hardship. Examples of needs that would be met by the Class of '51 Fund include, but are by no means limited to, helping students to participate in class trips and field trips, pay application fees for college applications or tests, purchase necessary supplies or equipment for classes, and participate in curriculum-based activities during the year and over the summer. The goal of the Class of '51 Fund shall be to level the playing field for students in Skaneateles whose families face financial challenges.
